Instructions for Employers

If you receive a complaint about alleged sexual harassment, follow your sexual harassment prevention policy.

An investigation involves:

- Speaking with the employee
- Speaking with the alleged harasser
- Interviewing witnesses
- Collecting and reviewing any related documents

While the process may vary from case to case, all allegations should be investigated promptly and resolved as quickly as possible. The investigation should be kept confidential to the extent possible.

Document the findings of the investigation and basis for your decision along with any corrective actions taken and notify the employee and the individual(s) against whom the complaint was made. This may be done via email.

Adoption of this form does not constitute a conclusive defense to charges of unlawful sexual harassment. Each claim of sexual harassment will be determined in accordance with existing legal standards, with due consideration of the particular facts and circumstances of the claim, including but not limited to the existence of an effective anti-harassment policy and procedure.
